“ I am sorry to find out my long time devoted client has died I just found it out by searching on google. I was Clyde's CPA, tax planner for over 20 years I now see he died a couple of months after my mother This is why it took so long to find out I had to leave town during tax season to go to my Mother 's funeral. After Not seeing or hearing from him, I called and the number was not working. The next time I called someone answers and say I have the wrong number. If family is reading this, please call The Osborne CPA Firm, in Smyrna, Ga. 770-437-4037. Clyde was a gentleman at heart so sorry for your loss especially his daughter and grandson He talked About both of you all the time.

“ So sorry to hear. I just now discovered. We worked together in New York at IBM. I trained him when he was hired and eventually became my manager. Always a nice guy.

“ Clyde will be missed. My parents neighbor for over 20 years. Every time I stopped by my parents house, he was always out in his yard and I would blow my horn and he would wave back. Rest in Peace.

Love,
